Dahlen for governor

The questions here reflect current issues you are likely to face during a coming term in office and ask each candidate to provide, in their own words, their thoughts and opinions regarding a significant number of topics and questions. We appreciate your time and effort in responding to our questionnaire.

1) How would you describe the proper role of government?

Less. Allow me to provide examples... WBC ; ENDOW - Ks purse. Two jet airplanes... gone.

2) How would you describe your role as a Republican elected official in our constitutionally defined form of government?

To promote and uphold the constitution. You either believe and live by it, or you don't.

3) Describe your core values.

I believe in Jesus Christ as my savior & Lord

4) Where do you place yourself on the political, ideological spectrum?

I have never held office. I believe in our constitution.

5) There is a nationwide push that has now come to Wyoming for the creation/expansion of protected classes in the form of additional anti-discrimination laws. Considering that Article 1, Section's 2 and 3 of Wyoming's Constitution respectively state:

> "In their inherent right to life, liberty and the pursuit of happiness, all members of the human race are equal." and, "Since equality in the enjoyment of natural and civil rights is only made sure through political equality, the laws of this state affecting the political rights and privileges of its citizens shall be without distinction of race, color, sex, or any circumstance or condition whatsoever other than individual incompetency, or unworthiness duly ascertained by a court of competent jurisdiction."

What, if anything, should Wyoming do in this arena?

Nothing. Just live by it.

6) What are your thoughts about funding and cultivating Wyoming's K-12 education?

Evaluate districts. Why is there 8 in Fremont County as an example. allow teachers to lead. Funding is always a challenge. My focus is the economy.

7) Are you familiar with, and do you generally support or oppose, the Wyoming Education Association's position statements and legislative platform?

I am familiar with WEA. In short, I agree with some of their issues and do not on others.

8) What is your position on federal management of public lands in Wyoming?

I'd leave it alone at this time.

9) What is your view on the Federal debts/deficits and Wyoming's budget gap between proposed spending and revenue as they impact on our nation and state, and how will you address them as an elected official. What do you think about raising taxes to meet our state's projected budget shortfall?

No on the state raising taxes with exception on review on wind & solar. Cut spending is my focus.

10) Do you support or oppose an income tax for Wyoming? Why?

Oppose.

11) Do you support continued state funding to cities, towns, and counties?

Lets look at who can strengthen our state if is the municipalities. Yes - further more give some money for business development instead of UBC-Casper

12) When it comes to the state budget, what are your priorities? For example, Transportation, Education, University of Wyoming, Community Colleges, Agriculture, Department of Health, Game & Fish, etc.?

Reduce spending at the top level.

13) In what instance(s) should the federal, state, or local government restrict the right to carry arms?

None, on legal citizens.

14) For many years now, federal bureaucratic and regulatory actions are often initiated against Wyoming residents for issues related to what have been standard agricultural or energy production practices for decades, but now deemed recently as incompatible with federal policy by administrative edict. How would you as an elected official respond to instances of federal overreach?

Thankfully President Trump is reversing many. There are many to address which I will have my AG (Harriet) address.

15) Have you reviewed the 2018 Platform and Resolutions developed at convention by the Wyoming Republican Party?

Yes.

16) It is the rare Republican who agrees with our Platform 100%. Article 1, Paragraph 3 of the ***2018 Bylaws of the Wyoming Republican Party*** defines the role of the Republican Party as:

3. Role

1. The role of the Wyoming Republican Party is: to recruit citizens to join the Republican Party; to establish the Platform of the Wyoming Republican Party; to achieve the election of Republican candidates who substantially uphold the platform of the Wyoming Republican Party and to conduct the business of the Wyoming Republican Party.

What is your definition of the word "substantially"? Are there planks in the 2018 Platform with which you oppose to a level of non-support in legislation? Will you identify those during your campaign if asked by constituents?

I support the Republican Party platform.
